Behavior Policy

For the safety of all Preschool students, the following procedures will be used.

- Biting is unacceptable behavior in school. Any student who bites another child will need to be picked up immediately. The child will be removed from the classroom and the parent/guardian will be contacted for pick up. The parents of the bitten child will also be notified
- Any student who hits/kicks another child will be removed from the class. The parents will be contacted by phone at that time and a determination will be made as to whether the child needs to discuss the issue with the parent by phone or if the child needs to be picked up.

The school policy is that students are not to put their hands on other children. Please review this with your child on a regular basis. Our goal is to provide a safe learning environment for each child. We appreciate your cooperation in this matter.

Student's name: _____

Parent/Guardian Signature: _____ Date: _____
