We have partnered with **FACTS Tuition Management** to process our tuition payments. After you register your student(s) with the school office, please take a few minutes to set up your tuition account. For your convenience we have included the website below. A link can also be found on the school's website at www.sapgs.org under the "More About Us" heading. After you have completed this step, the Business Office will then enter your tuition information and you will receive your payment schedule. <https://online.factsmgt.com/signin/3PYMB>

TUITION REFUND POLICY:

Your financial obligation is based on the grading trimesters. Once a trimester begins you are responsible for the entire tuition for that trimester.

EFFECTS OF SERIOUS DELINQUENCY:

A parent is deemed to be seriously delinquent if the tuition payments are past due thirty days or more. After thirty days the Finance Manager or a member of the Finance Council will contact the parent to make payment arrangements. Students of parents who do not contact the Finance Manager or default on the payment arrangements may be subject to not being allowed to attend class and the parents may be notified to come and take the student home until the total past due balance has been satisfied. A \$30.00 NSF fee will be assessed for insufficient funds.
