

Simply the right way to fundraise

WELCOME TO ST. ANTHONY OF PADUA RAISE RIGHT GIFT CARD FUNDRAISING PROGRAM

(EFFECTIVE 03-01-2024)

Thank you for participating in this program! The RaiseRight gift card fundraising program is year round, it's easy and it works. By using gift cards to pay for everyday purchases you will earn credits that will be applied to your tuition for the following school year and St. Anthony's will earn for the school. No selling, no extra time, no extra money. Here's how it works.

1. Purchase a gift card through the program for your daily shopping needs. Cards are available for purchase from 500+ brands/retailers including:

2. Each retailer offers a % rebate for every card purchased. That rebate is earnings for the school. (Example: a \$100 Gift Card purchased from a retailer offering a 10% rebate earns \$10 for St Anthony's).
3. At the end of each school year, St. Anthony's will credit 50% of earnings raised by each family to next year's school tuition. (Using the example above St. Anthony's will credit 50% of the earnings (\$5) to that family's tuition next year. If at the end of the year your gift card purchases earnings totaled \$400, you earn \$200 credit on next school year's tuition.)

ENROLLMENT INFORMATION:

1. Go to www.raiseright.com
2. Click "Sign Up"
3. Enter our school's enrollment code, F73B85BC12878, and click "Join a Program"
4. Complete all required fields and set up 2 step verification to create your account (**IMPORTANT: you must enter your child's name(s) who are enrolled at St. Anthony's in order to receive tuition credit**)
5. Once your account is created go to "Settings" in your account dashboard to edit your personal/security information if needed; add online payment information; and set your notification preferences (It is highly recommended that you select the "Bonus & Earning Events" notification option to stay in-the-know about upcoming bonuses, promotion, and other opportunities for additional earnings)

TYPES OF CARDS THAT CAN BE PURCHASED:

Physical gift cards-traditional gift cards that you purchase from the store.

eGiftcards-digital gift cards that are delivered electronically within minutes. eGift cards can be utilized in the following ways:

1. Print eGift card and take with you to the store
2. Pay directly on your phone at checkout with the RaiseRight app
3. Copy/paste egift card code at checkout when shopping online

Reloadable-physical gift cards purchased from RaiseRight that you can reload with funds allowing you to use the same card over and over again.

HOW DO I PURCHASE/ACCESS CARDS?

In-Person-Physical gift cards of the most popular retailers are available for immediate purchase each Friday morning in the school lobby.

RaiseRight website-Login into your account at RaiseRight.com to purchase all card types. eGift cards and reloadable cards are available to use in your account “wallet” within minutes. Physical gift card orders are shipped to and picked up from school in 1-2 weeks. This is also the best way to view order/rebate history and change your account information.

RaiseRight Mobile App-Purchase gift cards of all types directly from your smartphone. Many eGift card purchases (including eGift cards purchased from the website) can be used right from your phone by scanning the eGift card barcode at checkout. This is the best option for quick and easy fundraising!!!

PAYMENT METHODS FOR GIFT CARD ORDERS

In-Person- In Person card sales can be paid with cash, check, or debit/credit card. Cards will be accepted but cash or check is *strongly* recommended.

Website/Mobile App: The following payment options are available:

1. Credit Card-3% transaction fee for each order placed
2. Debit Card-1% transaction fee for each order placed
3. Bank Account-only a flat \$0.29 transaction fee for each order placed
4. Pay coordinator directly-for physical card orders, not recommended for eGift or reloadable orders

TUITION CREDIT GUIDELINES

1. Families receive 50% of gift card earnings as tuition credit for the following school year. **IMPORTANT: Families receive 50% of gift card earnings not purchases. Example: if a \$100 gift card purchase earns \$8, you earn \$4 in tuition credit.**
2. Earnings are accumulated throughout the year and tuition credits are applied during the summer of the upcoming school year. The yearly earning cycle begins on May 1st and ends on April 30th. (*Gift card earnings are currently being accumulated for the 2024-2025 school year.*)
3. Families must earn a minimum of \$25 before any tuition credits are applied.

HELPFUL TIPS/ADDITIONAL INFORMATION

1. Increase your earnings by having family and friends enroll in the program as well by following the same enrollment instructions.
2. Not all gift card types are available for every retailer. The dollar increments available for each retailer can also vary greatly.
3. Many physical cards purchased from website/mobile app can be shipped directly to your home for an minimal additional fee, a great option during the summer break. (*Please note: you can't pay coordinator directly when shipping to home.*)
4. Throughout the year retailers will offer additional earnings bonuses for a limited time. Be sure to configure your account to receive email notifications when earnings bonuses are announced.
5. While almost every nationwide/regional retailer participates in this program, there are a few exceptions. Here are the most notable:
 - Grocery Stores: Aldi, Lidl, Trader Joe's, Wegman's
 - Wholesale Clubs: BJ's, Costco
 - Fast Food: Chick-Fil-A
6. Add a reloadable gift card for a retailer as a payment method to the loyalty/rewards account you have for that retailer and earn tuition credit and reward points at that same time. To see how to do this with a Starbucks reloadable gift card and their mobile app go to: https://www.youtube.com/watch?v=1Ly5BGf_PdQ&t=3s.
7. You can only register a physical card to reload funds; e-gift cards can't be registered.
8. Visit RaiseRight's YouTube channel at <https://www.youtube.com/@raiseright> for additional how-to-videos and program information.
9. Any questions/feedback/support can be directed to the program coordinator, Ryan Mclaughlin. His email address is rymcl77@gmail.com
